

Business Tax Services

Comprehensive tax
planning solutions to
help business owners
maximize after-tax income
and minimize liabilities.

Robins, Eskew, Smith & Jordan (RESJ) excels at developing innovative tax strategies for our business clients – it is at the core of what we do. From tax planning to required government compliance, our team of experienced tax accounting professionals will evaluate your financial situation and implement a strategy that helps your business reach its financial objectives.

A Proactive Approach

We guide our business clients on a wide range of taxes that include federal and state income taxes, sales and use taxes, payroll taxes, excise taxes and a variety of other federal and local taxes. Our firm takes a proactive approach, staying on top of changes in the tax code and communicating with you throughout the year about how changes will affect your business.

OUR BUSINESS TAX CLIENTS

RESJ works with privately held businesses, professional practices and not-for-profit organizations across a number of practice areas, assisting with the implementation of successful strategies that keep your hard-earned business profits from being eroded by taxes.

OUR PRACTICE AREAS

- Healthcare and Medical Practices
- Retail
- Nonprofit
- Professional Services
- Real Estate and Construction
- Manufacturing and Distribution

We Help Clients Navigate Complex Tax Issues

Effective tax planning is essential for the financial health of your business. Our approach involves developing an in-depth understanding of your business, its operations and ownership structure, allowing us to devise and implement strategies carefully tailored to your business and unique situation. Our team of experienced tax professionals provides compliance solutions to efficiently meet your federal, state and local reporting requirements.

OUR AREAS OF EXPERTISE

Tax Planning

- Strategies to minimize tax liability and support cash flow goals.
- Proactive communication of tax law changes.
- Guidance for mergers, acquisitions and divestitures.

Tax Preparation and Compliance

- Federal and state income taxes, sales and use taxes, excise taxes and payroll taxes.

State and Local Taxes (SALT)

- Preparation and planning for multi-state businesses.

Tax Credits and Incentives

- Research and guidance on potential tax benefits for businesses engaging in R&D, construction, film and entertainment and others.
