

Family-first priority, collaborative environment, opportunity to coach and be coached, open access to partners. Are these things appealing to you? If so, we would love to have you as part of our team.

For nearly four decades, the CPAs and business advisors at RESJ, PC (formerly Robins, Eskew, Smith & Jordan) have provided a comprehensive range of accounting, audit and tax services for individuals and privately held companies throughout the greater metro-Atlanta area. We have built our firm around one principle: integrity. Our clients trust us to provide innovative solutions that meet their unique needs; and they consistently tell us they have confidence in our work. We always work diligently to meet their needs and look forward to developing a long-lasting relationship with every client.
